I agree to abide by UKA Rules and Regulations.

In order for March AC to comply with the General Data Protection Regulations, EVERY member needs to read and sign the Declaration below.

When you become a member of, or renew your membership with, March Athletic Club you will automatically be registered as a member of England Athletics. We will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called MyAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.

Your data (e.g. your email address) will also be shared with the Club Chairman/Secretary/Press Officer to enable the weekly newsletter and other information to be sent to you to keep you informed of club activities. Your data will not be shared with any other person without your express permission.

I am aware of the above statement and agree to my personal data being shared with England Athletics and between March Athletic Club officials to ensure that I am made aware of club activities.
